

## Want to Learn about Growing Blueberries and Pick Your Own?

Join us at Four Oaks Hill Farm, a blueberry and muscadine farm in Darlington, SC! We will have a Clemson Extension agent give an overview of blueberry production. You will learn about different varieties and some do's and don'ts of growing your own blueberries.

After the short presentation you will have plenty of time to stroll through the property and pick your own blueberries for purchase. This is a great activity for all ages!
